

Rückenwind

The illustration features a central globe with green continents and blue oceans. A large, stylized wind turbine with three blades is positioned in the foreground, partially overlapping the globe. To the left of the globe, there is a row of various green trees, including a prominent evergreen. In the background, a smaller wind turbine is visible. The sky is a light green color with several white, fluffy clouds. The word 'Rückenwind' is written in a white, cursive font across the top left of the image. The overall theme is environmental and renewable energy.
